London Art Fair 2017 Preview

By Priya Kumar On 04 Jan 2017 Tweet Like 5

The [London Art Fair](#), in its 28th year, is the UK's premier Fair for Modern British and contemporary art. It will be hosted at the Business Design Centre, Islington, from 18 to 22 January 2017. Renowned for providing a supportive environment for collectors of all levels, The Fair is enhanced by an engaging programme of curated exhibitions, talks, tours, films and performances.

The art featured spans the early 20th century to present-day. One hundred and twenty nine galleries present their work with over a fifth being international from 18 different countries.

New features and highlights for 2017 include:
